Avery Dennison®
Decorative Window Films

Bring glass doors, windows and screens to life

The Avery Dennison® Decorative Window Films range offers a choice of six striking films. Outstanding performance for decorative, private and functional markings or graphics on glass, both indoors and outdoors for long- to short-life applications.

All films are equipped with a clear permanent acrylic adhesive and a one side coated liner. The option of Easy Apply and even Easy Apply RS liner, available on demand for Cast and Polymeric Window Films, help to avoid air entrapment or pleats for a convenient and fast application.

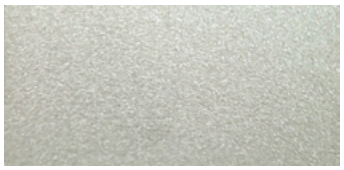
The Window film range is there in case you want to quickly decorate or redecorate with varying degrees of light intensity for maximum architectural and interior design flexibility. The Gold Gloss and Silver Gloss versions can even give that extra glamour and sparkle.

AVERY DENNISON

KEY FEATURES
- Full design range, from brilliant visual effects to matt Dusted or Etched finishes
- Crystal, Dusted, Frosted and Etched Glass Films are good candidates for screen and digital printing
- Customized colour matching for cast films
- Cost-effective calendered films and 'short life' promotional films

KEY BENEFITS
- Film performance and cost to match virtually any application
- Rapidly transform internal spaces
- Control light intensity, optimize style and improve privacy
- Fast application – simple to use, cut & weed with EasyApply technology

Avery Dennison® Etched and Frosted Glass Films
These superb decorative products replicate the effect of traditional glass etching. They are translucent cast films with a clear permanent adhesive and a longlife outdoor durability of up to 7 years. Colour matching as well as an Easy Apply adhesive are available upon request. The etched and frosted glass films are also good candidates for digital printing.

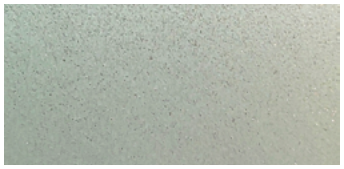


Etched Glass

Frosted Glass

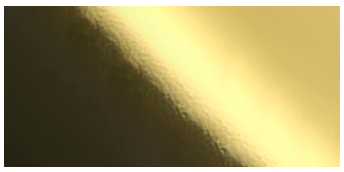
Avery Dennison® Dusted and Crystal Glass Films
For medium-life outdoor application (maximum required durability of up to 5 years) choose these striking decorative translucent polymeric calendered films with an etched glass effect. The standard portfolio is extended by Easy Apply and Easy Apply RS versions of the product, to avoid air entrapment or pleats during application. Colour matching is available on demand.

Dusted Glass

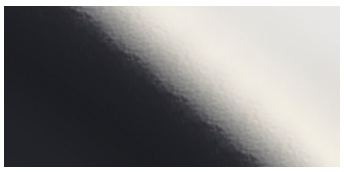


Crystal Glass

Avery Dennison® Gloss Gold and Gloss Silver Films
For window graphics and applications with an extra 'lift'. These two short-life products offer outdoor durability of up to 2 years, using two-sided metallised polyester films with a permanent clear adhesive. An easy way to add real glamour and sparkle with an unique metallic finish.



Gloss Gold



Gloss Silver
